ABOUT ME

Hello, I'm Aiwerioghene Adesuwa Angela, a Computer Scientist specializing in front-end development. Motivated front-end developer with a passion for creating visually appealing and user-friendly interfaces. Proficient in HTML, CSS, and JavaScript, with a solid understanding of responsive design principles and front-end frameworks such as React js and CSS frameworks such as Bootstrap and Tailwind CSS. Skilled in developing functional web applications. Eager to contribute my technical skills and creativity to drive innovation in the field of web development.

EDUCATION

BACHELOR OF SCIENCE (B.SC) IN COMPUTER SCIENCE   2022 — TILL DATE

Babcock University,
Ilishan-Remo, Ogun state,
Nigeria.

HIGH SCHOOL DIPLOMA   SEPT. 2016 — OCT. 2021

Grace High School,
Gbagada, Lagos,
Nigeria.
Relevant Information: Asst. Class captain(for 3 sessions).

MY PERSONAL PROJECTS

- **TO-DO-LIST:** Developed a functional and visually appealing to-do list application using HTML, CSS, and JavaScript, showcasing strong front-end development skills.

- **CALCULATOR:** Created a responsive calculator using HTML, CSS, and Bootstrap, highlighting attention to detail and problem-solving abilities.

- **WEB CLONING:** Successfully replicated and implemented various popular websites, including **Vans, Uber, Shein, ASOS** demonstrating proficiency in web cloning with the use of HTML, CSS, Bootstrap.

- **LANDPAGES:** Designed and built engaging landing pages utilizing Bootstrap framework, effectively capturing user attention and promoting conversion.

SKILLS

- **TECHNICAL SKILLS**

HTML: Proficient in HTML5 and experienced in creating well-structured, semantic markup. Skilled in building web pages using HTML.

CSS: Strong knowledge of CSS3, including styling, layout, and animations. Experience in creating visually appealing designs and responsive layouts using CSS frameworks like Bootstrap.

JAVASCRIPT: I possess a foundational understanding of JavaScript, with a focus on beginner-level proficiency.

BOOTSTRAP: Proficient in using Bootstrap framework to develop responsive and mobile-friendly websites. Skilled in leveraging Bootstrap's grid system, components, and utilities to streamline the development process and enhance the user interface.

REACT JS: Experienced in building dynamic and interactive user interfaces using React JS, a powerful JavaScript library. Proficient in creating reusable components, managing state, and handling UI updates efficiently through React's virtual DOM.

TAILWIND CSS: Proficient in utilizing Tailwind CSS to rapidly design and style modern and visually appealing user interfaces. Skilled in leveraging Tailwind's utility classes to achieve consistent and responsive designs across different screen sizes and devices.

- **CORE COMPETENCIES**

Good Communication Skills;
Exceptional Leadership skills;
Problem Solving skills;
Cooperation and
Team work.

CERTIFICATIONS

I have obtained a certification from AptLearn for successfully completing the web development course focused on HTML, CSS, and JavaScript.
